

We are proud to be farmers in Staffordshire and we are passionate about serving good quality fresh food. All our food is home-made from scratch in the Essington kitchens. Our menu features meat, fruit and vegetables produced here on the farm. Our sausages and bacon are all made here on the premises by our skilled team of dedicated butchers.

We hope you enjoy your meal all the more in the knowledge that many of the ingredients are produced here at the farm or by other local producers.

Most of the ingredients used can be found in our farm shop. Please call in to pick up some of your favourites, as featured on the menu, to enjoy at home. All of our bread and bakery items featured on our restaurant menu are all freshly made on site using the skill and expertise of our qualified chefs and bakers.
